” I am
teaching
ANF because

helping patients has
never been so amazing
and teaching ANF to
healthcare professionals
makes our mission of
spreading ANF fascinating.

Irina Heinisuo

ANF Instructor

QUALIFICATIONS

Every day we take ANF therapy closer to people who need help, by teaching ANF to therapists and doctors from more than 50 countries, reaching communities all over the world. We create a worldwide family of ANF therapists that help and support each other working together to change people's lives.
